I hereby apply for membership in the Montana Logging Association.

Dues \$ _____ Check # _____

Signature _____

Date _____

TAX INFORMATION: *MLA dues may be deductible as an ordinary and necessary business expense. Contributions or gifts, however, are not deductible. Dues are only deductible to the extent that they are not used for legislative purposes; thus, MLA's "best reasonable estimate" is that 80% of dues paid are deductible. Tax questions should always be directed to a professional tax advisor.*
